

HPPOA – Nominating Committee Report to Board of Directors – 12/16/15:

- ❖ Chair of the committee submitted the printed nomination banners and extra blank roles to the General Manager on 12/4/15, to be hung in six areas of the Park.
- ❖ The Board needs to empanel a committee for preferential voting to develop process and procedures. June Conant has volunteered to be on the committee.
- ❖ Nominating Committee lost one member on 12/3/15, when Bruce Derrick resigned. We are at five members, which is a valid number of members for this committee.
- ❖ Board members are encouraged to volunteer to sit at the Nominating Committee's table during monthly swap meets to seek candidates. The monthly swap meet takes place on the second Saturday from 7:00 am to 11:00 am – it will run from December to March.
- ❖ Nominating Committee has asked the Board whether it supports and wants to pay for the past practice of sending out a mailer to lot owners in East Hawaii, only to seek candidates. The idea is that a lot owner who lives in the Hilo area would be willing to come out to attend a monthly board meeting. We guess there are approximately 300 lot owners per district who live in East Hawaii.
- ❖ Nominating Committee has asked Board to consider developing a Park signage committee, as it relates to temporary signs that appear during local elections.
- ❖ Nominating Committee asks that the news of six candidate opening be included in the upcoming "Annual Update," which is mailed out with the annual billing.

Respectfully submitted by, 
Leilani Bronson-Crelly, Chair
