

Hawaiian Paradise Park Community Action Committee Park Survey

28 February 2016

Name _____ Street Address _____ # Lots Owned _____
 Years Living in HPP _____ Number of people in household _____ Adults _____
 # Children _____ Age(s) Of Children _____ Check one for each adult: Employed _____ Retired _____

A twenty-acre county park will be located in HPP at 26th and Kaloli as approved by the County Council on 22 Jan 2016. Planning/design funding has already been passed by the County Council and the planning is estimated to be finished within two years beginning once the deed to the lot has been transferred to the County. The Park will most likely be developed in phases. This survey is to provide ideas to the Park and Recreation Department to better design the park with our needs in mind.

- The first issue revolves around whether the park is to be an active (ex. mixed use sports fields), passive (paths, benches), or mixed park (combination).

Active Passive Mixed

- What do you want to see in a Park? Please circle those you would LIKE to see.

Amphitheater	Basketball Courts	Benches
Gym/Exercise equipment	Horseshoe Pit	Mixed Use Fields (baseball, soccer)
Outdoor Lighting	Paths – Biking/Walking/Exercise	Picnic Facilities – Tables, Fire Pit
Playgrounds	Pool	Tennis Courts

- Some activities that require rules and regulations or fees may also be desired. Please circle those you would LIKE to see offered.

Alcoholic Beverages	Bicycles	Dog Paths/Parks
Hours open	Fireworks	Kitchen
