

By-Laws Committee Report

February 26, 2017

The Bylaws committee continues to work on the proposed revisions to the current bylaws. Currently we are on Article 8, Board of Directors, which is approximately half-way through the bylaws. Our intent is to propose for the member's consideration a workable document that ensures the members interest are protected while allowing the Board of Directors the discretion needed to carryon the daily activities of the association.

We currently have 5 members of the allowable 7 as stated in the bylaws. Consequently we are looking for additional members to serve on the committee. Being a member's committee, our current members may select and appoint other members to the committee. Since our agendas and minutes are provided electronically possession or access to a computer is highly recommended should you desire to be a member.

Our meetings are open to our members and we encourage you to attend to either provide input or just observe. Meetings are schedule for the second and fourth Thursday of each month from 5pm to 7pm. We also have input forms at the office if you prefer to submit written suggestions. These forms are collected prior to each meeting.

As mentioned previously all proposed revisions, when completed, will be sent to all members for review and/or approval.
