

## Halloween in Paradise Membership Committee August 15, 2018 Meeting Minutes

Attending: Kathy Crawford, Karrie Larrabure, and Tricia Yachcik

The Meeting was called to order at 9:05 am on Wednesday August 15, 2018 by Kathy Crawford.

Meeting Minutes from July 19, 2018 were approved.

Kathy offered to bring a small TV to play the kids movies on so we don't need to use the projector, but we would need a DVD player. Karrie will check to see if she has one. Kathy also showed the Halloween bookmarks she bought to be sold at the swap meet.

Kim, who will be making the maze, attended the "brainstorming session" meeting we had on August 1<sup>st</sup>. Kim will also be making nametags for the committee members and helpers. They will be will be ghosts that read "H.I.P." for Halloween In Paradise. Kim has started to work on the maze, but has requested some feedback and has suggested that we make rules specifically for the maze. To address Kim's concerns, as a group we decided the following: 1 ticket per turn; Parents may accompany their child; 1 child at a time with parent if they choose; the maze should not have any dead ends or wrong ways; one entrance and one exit, add some open tops and windows; the person manning the entry to the maze should warn parents about costume issues. Kathy was also able to get some boxes and support corners donated from Sears, and has provided the boxes to Kim. Kathy will return to sears for more boxes as needed.

The group reviewed the event rules that were decided on at the last meeting. Kathy presented the sign she made with the rules posted.

Kathy started to make a Go Fund Me page, but found out the company will keep a large amount of any funds raised. After some discussion the group decided to not pursue a Go Fund Me page. Instead Kathy will

look into the event and fundraising page off of the HPP Next Door group on Facebook.

Please think about ideas for other non-candy prizes, bouncy balls were suggested.

No new info about food trucks, as of right now we do not have one so keep looking!

Next Meeting Wednesday August 28th, at noon.

Meeting adjourned at 10:10 a.m.
