

Halloween in Paradise Committee October 10th Meeting

Attending: Kathy Crawford, Mary Couch
(no quorum)

The approval of the minutes from the August 29th and September 12th has been postponed.

Since there was not a quorum Mary suggested using the time for a work session. We quickly went over things that still need to be accomplished in the next few days.

The last Swap Meet before our event is this Saturday. Kathy will set up but needs assistance. Kathy told Mary that she works the day after the event so the rest of the committee will need to take down the signs. We asked the GM if there were any conditions of placing our signs on HPP owned street signs. He said “everybody else does it”. Mary and her husband will put up the 4 main road signs.

Mary and Kathy placed our event fliers on all HPP mail box clusters and delivered fliers to several businesses. We were warmly and positively

received. Kathy will deliver fliers to a couple remaining schools this Friday.

All vendors/retailers need to be called again by Friday. It is very important to know what donations we will receive and when we can get them.

Next Meeting is Wednesday October 24th , 12-2 at the HPP library.
