

November 19, 2018 Meeting Minutes

Attending: Kim Kuffell, Mary Couch, Kathy Crawford (quorum)

Guest: Tanya Seiver/Moore

The meeting came to order at 1:12 pm on Monday November 19th.

The previous meeting minutes were approved.

There have been a lot of changes since our last meeting. The chair Mike Smith resigned. Mike Smith submitted his letter of resignation and posted it on social media.

This committee is working to benefit all HPP. Our hard work has been enthusiastically received by the membership. This committee has proceeded further in a few months and developed a viable plan that the USPS is reviewing than any other mail box committee has accomplished with years of meeting.

The chairs resignation changes the dynamic of the committee. Mike Smith was the most knowledgeable and qualified person to see this project through to completion. We used the rest of our

meeting time to review our progress and come up with a new path to success.

The HPP members deserve mailboxes. The previous board committee did not produce a plan to USPS in over 2 years. There is no documentation of any progress or cooperative work with USPS with the board committee.

Our committee has been 100% transparent, has minutes for every meeting and has the most cost effective plan ever presented. Unfortunately an HPP member attacked our plan at the October membership meeting with falsehoods and scare tactics without any factual basis. This committee would appreciate cooperation and positive participation if any member has a better idea instead of just negativity with out any concrete plan. USPS has stated to this committee that they have tried to work with HPP for over 10 years and have never been able to keep the project alive and moving in the right direction until now and that they are not willing to go through more changes.

District director 4 arrived at the end of our meeting. She pointed out that the letter to USPS has our former chair listed as point of contact and she does not feel we can proceed until a new letter is signed by the replacing chair.

The logical person to fill the void is our vice chair.

We are waiting for USPS to contact us.

Next meeting is set for Monday December 17th at 12:15pm.

Meeting adjourned at 2:57pm
Respectfully submitted,
Kathryn Crawford
