

HPPOA BOARD OF DIRECTOR'S MEETING  
November 18, 2020  
GENERAL MANAGER'S REPORT FOR October 2020  
SUBMITTED BY DON MORRIS

Surveying for 17th Ave between Makuu and Paradise is scheduled for some time after Thanksgiving . I will be sending request for proposals out after that so the contractors can actually see what they are looking at.

The county has installed concrete Jersey Barrier on the back side of the gate on Railroad Makuu dead end and put a new chain and lock on the gate. Hopefully this will slow down the illegal traffic for awhile.

I have ordered 2 way yellow pavement markers for the center of the main roads. We will schedule the road crew to install them when they arrive.

The banners for the Board of Directors up coming election have been changed to reflect the current districts that will be open for this election. Who would the Board like to appoint to hang the banners?

The attorney is in the process of sending out the first round of demand letters for members that are seriously past due on their road maintenance fees.

**EQUIPMENT:** The hammer for the backhoe is in the shop being rebuilt. All other equipment is running fine at the time.

**WEEDWACK:** All main entrances and Shower mailboxes. Makuu mailboxes and Kaloli Entrances were posioned.
