

Hawaiian Paradise Park Owners Association Vision Statement

We are a vibrant and growing community of owners with rights and responsibilities as defined in *Article III Objects and Purposes* of our Corporation Bylaws, and desires as reflected in our *Community Master Plan*.

- ***We foster unity, harmony, communication and the Aloha Spirit*** amongst our members and neighbors
- ***We ensure legal and fiscal integrity*** in all our actions and policies with primary attention to road and administrative operations with best use of association assets and resources
- ***We protect and preserve our 'āina*** and rural surroundings with sustainable land use, contained development and responsible stewardship
- ***We serve the needs and interests of our community*** through participation and cooperation amongst our membership, Board of Directors, dedicated staff, public officials and the private business sector
