

## HPPOA FINANCE COMMITTEE Meeting Minutes

March 13, 2014

The meeting was called to order at 9:00 am. Joan Galante, June Conant, Vern Presnall, Dale Watson, Steve Crawford, General Manager Scott Reilling and Administrative Assistant Cathy Fincher were present. Due to prior commitments June Conant left the meeting at 10:00 am.

The meeting took place in the HPPOA Activity Center Library.

Agenda and the minutes for the February 13, 2014 were approved

Extra Burden Fees –Based on information gathered from various sources the committee will be presenting a motion to the Board for billing fees on Non-Residential Activities that increase burdens on traffic within HPP.

The Committee reviewed all month end financial reports for February 2014. It was noted that expense for road materials will continue to be high to make up for no road material purchased until the Board approved vendor. Year to date expenses were reviewed and all items over budget were explained. The continuing work on collections is evident in Past Past Money collected.

The Committee review 2014-2015 Budget. The General Manager presented budget worksheet with comparison to 2013-2014 budget and actual Feb 2014 YTD expenses and went over all line items and explained differences and projections based on historical or actual data.

Reviewed Insurance quotes. General Manager informed us that after reviewing quotes provided by Servco for several Insurance Carriers he found our current provider Philadelphia was the lowest. He even checked with Dongbu Insurance and was told they do not insure our type of operation.

Discuss Web Site Update cost and procedures. Budget for this expense is \$1,000. Ytd expense is \$700. General Manager feels that this is sufficient for the way it is being done. If the Board wants a more extensive web site the cost would be higher. He stated that he is the contact for web site postings. In this way he has control of the cost.

The Committee discussed Morgan becoming a notary public for HPPOA. The General Manager stated that having a Notary on site would be to our advantage and would be a savings on travel, time and money. The Committee agreed and approved the request. There are funds in the budget.
