General Manager's Report for May 2018 – Submitted by Don Morris

Thank you for all your road maintenance request. The road crew continues the ongoing daily grading of unpaved roadways and the filling of potholes in the paved roads. They have also started working on the edges of the main roads to clear the mud and grass off in preparation for the road striping.

Aggrebind: The Aggrebind representative for our project is scheduled to arrive July 16th. They will be here for approximately 5 days of training for the road crew.

Equipment: All equipment is running at this time. We continue to do the daily maintenance and repairs on all equipment.

Mowing: The road crew mowed 42 miles of roadway easement with the side arm mower and 43 miles with the deck mower.

Weedwack: Weed wacked corners of Makuu from top to 7th.

Graded: Graded and compacted 35 miles of roadway.

Installed Signs: 12th, 26th, 27th, Kaloli, 30 MDE

Rubbish Pickup: 2.25 Tons

Dead Animals Removed: 2 pigs

Safety Report: No accidents or injuries for the past 45 months.

Thank you for your support
