GENERAL MANAGER'S REPORT FOR MARCH 2022

SUBMITTED BY DON MORRIS

Scientific Consultant Services Inc., has completed the GPS survey of the archaeological features that are located between 17th and 18th Makuu and Paradise. This will make it easy to identify the area in the future. The report is in your Board Packet for review.

The street number signs should be ready in the next few weeks.

Hokori Construction has started the paving project for 18th Ave. between Makuu and Paradise. The project should be completed within 30 consecutive business days, weather permitting.

The office has started processing the ballots for the upcoming election and will be ready for mailing before the end of the month.
