

Presidents Report December 2022

This month has been one of many changes. The Board voted on November 29th to take a different approach on the Management of the Association. With the exit of the General Manager the board appointed director Jon Loehndorf as Interim GM. We are actively searching for a new GM but know it will take some time to find the right one.

While we didn't anticipate the office staff leaving, the Board has ensured that the office remained open, the bills have been paid and the accounts and assets of the association have been secured. We have had a few challenges over the past 3 weeks but as a team, pulling together, we got through it.

I want to thank Jon for stepping in as Interim GM; Jeff, Jim, Patty and Jeanette for helping us in the office; Lanell and Katherine for working on the job descriptions and employee handbook and the road crew for there continued support to our Association.

We have retained help for the accounting of the Association and will work to fill the office position in the near future.

Thank you everyone for your patience and support. I wish you all a very Merry Christmas and look forward to a great New Year.
