### **Personnel Items:**

Part Time Landscaper/Facility Maintenance Person had to quit. Working to fill position.

### **Equipment:**

Both Graders are down currently. One needs new guides and one needs a new/rebuilt starter

1 Roller is down and not repaired due to cost.

The Backhoe is still limping along. The repair cost is approximately \$24000.00. Rental will run approximately \$3800.00 per month. Approximate Replacement cost is \$70,000.00.

All Mowers have been sharpened, cleaned, and tuned up.

### **SAFETY:**

2 incidents involving the Side arm mower occurred in January.

### **Misc:**

Need to get the Rolling Garage door on the East side of Maintenance Building replaced. Working to get a quote.

Activity Center bookings are up.

Need to purchase a Canopy to park the Water Truck and Ford Dump truck as they are both developing leaks and water is beginning to cause issues in the CABs.
