

CULTURAL PRESERVATION COMMITTEE

MINUTES of 8/12/2023 Meeting

Discussions of the RFQ's;

- 1) Why is it that we have to wait but the mailboxes were pushed right through with only one bid.
- 2) How long is this process ? The money was approved in July.
- 3) Why didn't the board do the RFQ's while we were waiting for the budget to begin.
- 4) Why do you need an RFQ if you already have the proposals (3) of them, just like you asked.
