

My name is Debbie Skaggs and I would like to put out the idea and see if there is any interest (besides mine) in starting up a Welcoming/Outreach Committee.  
Let's have the first impression of our community be positive!

Details to be worked out but our goal would be to reach out to new homeowners and welcome them with a small Welcome Package that would include things like:

Information on HPP-Library and events

HPP Map so folks would know which district they are in.

Awareness of a Fire Dept and EMS in HPP.

Information on Board and Membership Meetings

Information about HPP Neighborhood Watch. I would get with Judi on that.

Information on being prepared for Tsunamis, Hurricanes, etc.

Give out a pen with HPP and our official website on it.
