

Presidents Report

March 20, 2024

The office continues to be busy with receiving payments for the 2024 year. We processed 1,314 payments in February. Please drop or mail your payment as soon as possible to give the office time to process.

The upper mailbox sites have the pads now poured and we are still waiting on permits for those sites to get the paving done. Installation has not yet been scheduled as they are still waiting on the arrow locks.

We had a hearing this month on the lawsuit regarding the mailboxes and 421J. The judge said he wanted additional time to make his ruling and would do so in writing. This could take as long as 90 days. He made no ruling on the mediation as well.

will be signed tomorrow
Contracts have been signed for the paving in 2024.

With all the rain we are starting to see more potholes again on our roads. Please continue to report road issues that you see to the office so they can be addressed quickly. All other issues, please call the police for noise complaints, fireworks or speeding.

HPP is a big place, and it takes many eyes to keep it running safely and smoothly.

Thanks for making HPP a place we can all be proud to call home!
