Misc:

The office is gearing up to send out the ballots for this years election. This weekend I will be attending a meeting with the Hawaiian Shores community in regard to the feral pig population and the possibility of obtaining a pig trap for our resident to use. More information will be provided after I attend the meeting. I have also attended the Meet the candidates gathering last Sunday to meet the potential new Board Members. There will be a CERT meeting on the 22nd of April at 6:00pm which I will also attend to help with the upcoming Exercise. The restriping of the Main Drives is still on hold, as the paint has not arrived yet and the striping company is waiting for better weather. Hokori construction has started their work on Beach Road and the weather has caused a few days of work stoppage. The shop roof has been replaced and we now have no leaks.
