

Presidents Report

April 17, 2024

The office has been extremely busy with receiving payments for the 2024 year. We continue to collect past due amounts on properties with liens. Much thanks to Dae for helping work the counter the final few days of March and April 1 due date.

Our Accountant Ted has left us to work for the state of Ohio fulltime. We wish him the best in his new position. We welcome Destiny to the team to take Teds place. I have been training her the past 2 weeks and know she will do a great job for HPP.

Contracts for paving were signed and Hokori has started working on Beach Road deadend Kaloli. Paving should be done this week. He will then continue to Ala Heiau and the two mailbox sites at 14th & Kaloli and 6th and Makuu.

The office will be busy getting ballots out by May 1st for districts 2,3 and 4. We have no one running in district 6 so the Board will be appointing that District at the July meeting. If you are interested in being appointed to that position, please submit the Candidate Application form found in the office or on the website.

It was sad news to learn of the passing of Corky Schoonmaker, past director of District 2 and Treasurer. I had the privilege to work with Corky on the Board and am grateful for the time he devoted to HPP. Our thought and prayers are with Jill and the children during this difficult time.

With all the rain we are starting to see more potholes again on our roads. The road crew has been working to fill them as quick as possible. Please continue to report road issues that you see to the office so they can be addressed. All other issues, please call the police for noise complaints, fireworks or speeding.

This is a big place, and it takes many eyes to keep it running safely and smoothly.

Thanks for making HPP a place we can all be proud to call home!

Kari Hoffman, President
