

Presidents Report

May 15, 2024

The office continues to be busy with receiving payments for the 2024 year. They are working to get caught up now that ballots have been sent out. They will begin sending out reminder notices beginning of June. If you have not yet paid your road fee, please do so before the end of the month to avoid another months finance charge.

Our bookkeeper Bonnie is currently training the newest member to our HPP family, Alicia who started last week. We thank Bonnie for helping us through the past 18 months of transition and wish her the best in the future.

Hokori has finished the paving on Beach Road and on a tenth of a mile on 6<sup>th</sup> and Makuu road in front of the mailbox site. He will then continue to Ala Heiau and the last mailbox sites at 14<sup>th</sup> & Kaloli.

We have no one running in district 6 so the Board will be appointing that District at the July meeting. If you are interested in being appointed to that position, please submit the Candidate Application form found in the office or on the website.

With all the rain we are seeing more potholes again on our roads. The road crew has been working to fill them as quick as possible. Please continue to report road issues that you see to the office so they can be addressed. All other issues, please call the police for noise complaints, fireworks or speeding.

This is a big place, and it takes many eyes to keep it running safely and smoothly.

Thanks for making HPP a place we can all be proud to call home!

Kari Hoffman, President
