New Business

- A. We should be able to accept monetary donations if anyone from the community would like to contribute money. Jeanette suggested that a sub account be made under the Non-Roads Budget line so any donated monies can be specified for the Mail Park Beautification Project. Patti will bring this up to the Finance Committee.

Next Meeting is October 14, 2024 at 11am via Zoom. This meeting is scheduled for 2 hours to include planning for the upcoming Volunteer Workday.
