| Update on Archaeological Study – Final Report | Lanell Lua: The final report on the archaeological study of Ko`olauo, the 31-acre site in HPP, by ASM Affiliates has been delayed and is expected to be delivered to the HPPOA Board very soon. Upon the Board's review, a copy will be shared with the CPC committee. If necessary, a special committee meeting will be called to review the report. | The report will be reviewed by the committee either at the regular monthly meeting or at a special meeting. |
| Invited speakers Kepā and Onaona Maly | <p>The committee was honored to have Kepā and Onaona Maly of Kumu Pono Associates as guest speakers. They have conducted historical and ethnographic studies in the islands for more than 45 years, including an ethnohistorical overview of Ko`olauo. They told us of their experiences in following up on archaeological study recommendations and initiated a general discussion on possible next steps following the release of the final report.</p> <p>Kepā and Onaona Maly emphasized the importance of informing and educating the public about the historical and cultural significance of the land to encourage the proper respect while the land is preserved and protected. Members discussed ways to do so. It was agreed that a website and Instagram page would be effective. Lanell Lua volunteered to host an Instagram page and Spencer Willis offered to create a website. A motion was made by Sandee</p> | <p>No action. Continue discussion after report reviewed.</p> <p>A Ko`olauo informational Instagram page and website will be created. Update at next meeting.</p> |
