Aloha!

The Mail Park Beautification Committee has been meeting 2x a month. We have set schedules for 'work parties' to address clean up, clearing, and beautification of the mail park sites at 4th and Kaloli, and the site at 6th and Maku'u. Both sites are progressing, however the site at 6th, seems to be progressing faster than the site at 4th. There is a consistent group of several volunteers that work on that site. At the 4th & Kaloli site we also have a dedicated group of volunteers, but much smaller and we are so grateful for everyone's commitment. We invite the entire community to get involved and help make the mail parks a nice area for all.

Committee meetings are now once a month on the 2nd Monday at 11:00am. Meetings can be attended in person in the Library, or via Zoom.
