

Aloha,

My name is Jon Loehndorf and I am your new President for this 2025-2026 fiscal year. We also have 3 new Board members this year as well as 2 new Executive Committee members. Yes, we are all still in training.

Updates:

WEB: We are setting up a Facebook page for HPPOA information and updates. All official HPPOA communication will come from our HPP Website and/or Facebook page, not from other Social Media sources. Let's stick with the official sites' folks.

Litigation: At this time, we have 1 active case and 1 case that is resolved awaiting dismissal.

Speed Bumps: The Bumps have been fully installed per the contract. The Contractor is awaiting the signs to be delivered to post them at each Bump. As a temporary step he is installing posts and as many signs as he currently has to assist in marking. All Bumps should be painted at this time.

HPP Double Duplexes: As was pointed out at the last Board meeting and at the June General membership meeting once a unit is occupied, please start submitting your complaints to the County Planning Department.

Illegal dumping: The road crew and other individuals are finding more Green Waste dumping on HPP property. This is illegal and if you see it, please take a picture, call the police, or give the information to the office. Dumping of any type shouldn't be tolerated.

In summary, know that I (and I believe this new Board) will be trying our best to serve HPP and accommodate the needs of our community. Communication will be one of our top priorities.

What I am asking of HPP members in return is to give your new Board Aloha and respect. Bring to us your ideas, concerns, etc. and your Dist. Rep and/or Board will discuss it and get back to you as timely as we can.

Remember that if you see speeding, fireworks, or other illegal activities contact the police. Also, for loose animals, barking dogs, etc. contact Animal Control.

Mahalo,

Jon Loehndorf
HPPOA President
