

Aloha,

My name is Jon Loehndorf, President of HPPOA Board of Directors.

WEB:

1. Working on the Facebook Page design and procedures.
2. Beginning to work on cleaning up the Website and increase usability

Litigation: At this time, we have 1 active case.

Speed Bumps: The Contractor is installing the signs at each Bump. Hope to have it completed soon.

HPP Double Duplexes: As was pointed out at the last Board meeting and at the June General membership meeting once a unit is occupied, please start submitting your complaints to the County Planning Department. Have had a few local representatives for folks to talk to and ask questions and more coming. Thank you to Mary Marvin Porter and Judy Houle.

Illegal dumping: The road crew and other individuals are finding more Green Waste dumping and trash dumping on HPP property. This is illegal and if you see it, please take a picture, call the police, or give the information to the office. Dumping of any type should not be tolerated.

Facilities:

1. The Activity Center Bathrooms have been repaired and new hardware installed. Thank you to our GM Christopher for working this project.
2. We are looking at getting the Activity Center Room and Gutter as well as the Office Roof and Gutter power washed and cleaned out.

Communication is one of our top priorities. Please check the Web Page periodically and join our Facebook Page once it is set up. Please bring your district representative your ideas, concerns, etc. and your Dist. Rep and/or Board will discuss it and get back to you as timely as we can.

Remember that if you see speeding, fireworks, or other illegal activities contact the police. Also, for loose animals, barking dogs, etc. contact Animal Control.

Mahalo,

Jon Loehndorf
HPPOA President
